2012-2011 Sunday School at New Prague Lutheran Church

Sunday School begins September 16th and will follow the Worship Service at the High School (from 10:45 to 11:30 am). Registration will be on September 9th. Registration is helpful, but not required to come to Sunday School.

Children's Program: We are thrilled to announce that again this year the children will have **Music** for the first 15 minutes. This was something they loved last year. Early Childhood and Preschool will have **Music** this year in their Sunday School area, while the Elementary aged children will meet together for music in the 1st / 2nd grade classroom.

This fall, the children will have 30 minutes of interactive lessons on the Ten Commandments.

Early Childhood : age 2 1/2 by September 1- age 4

Preschool : for PreK and Kindergarten

Early Elementary: 1st and 2nd graders

Older Elementary: 3rd - 5th graders

Middle School and High School will each have a group that meets in the Commons (lunchroom). Middle School will be using a curriculum called Grapple. Students engage with memorable Bible passages and characters, grapple with the issues that come to the surface, and discover a path that leads them straight to Jesus Christ. Meanwhile our High School group will be more of a coffeehouse style, looking to the Bible for answers to some of today's biggest issues for teens.

Adults: Grab a coffee and donut and join other adults in the Commons (lunchroom) for roundtable discussions that relate to the sermon each week. In addition, we hope to have a gathering of parents with their infants/toddlers under two, and offer occasional mini-series throughout the year with topics like grace-based parenting and Bible Basics.

There are already 30 people volunteering in some capacity with Sunday School! Thanks so much! We still need 1 more teacher in the 1st & 2nd grade group (teach 1 to 2 times monthly) and 2 more teachers needed in 3rd - 5th grade (every week or every other week commitment). One more behind the scenes person is needed to put up directional signs and help teachers with supplies or set-up. (Twice a month)
