

What are the Faith Stepping Stones?

FaithPoint believes that it is important for children to grow up in an environment that supports Christ's teachings in order to become their best selves. We provide opportunities for parents to work with their children to learn about important Christian practices. It is our goal to give parents and children the opportunity for dialogue about what it means to be a Christian with the support of church leaders.

The Seven Faith Stepping Stones are:

- **Baptism**
- **The Preschool Years**
- **Prayer Class**
- **Bible Class**
- **First Communion**
- **Confirmation**
- **Graduation**

These seven classes are open to everyone in the community and are completely free of charge!
