

Confirmation Covenant 2026-2027

Welcome to the Confirmation Ministry at FaithPoint Lutheran Church. We appreciate your commitment to this important educational time in the life of your child. At FaithPoint, we take seriously our parental baptismal obligation and promise to *"faithfully bring the child to the services of God's house, and teach them the Lord's Prayer, the Creed, and the Ten Commandments ... and provide for their instruction in the Christian faith."* If the student has not been baptized, please still complete this form and arrange to have the student baptized before completing confirmation.

We pledge to faithfully apply ourselves, both Student and Parent, to this commitment and the expectations included.
